

# Kick It To Me!

Australia is a very sporty country. Throughout the year you're likely to see various sports being played. Can you draw lines to match the sporting seasons with the months they are played?

<b>Sports</b>	<b>Months Played</b>
A-League Soccer	October – March
Australian Rules Football	March - October
National Basketball League	March - July
National Rugby League	August - March
Sheffield Shield (Cricket)	September - March
Super 14 Rugby Union	March - September
ANZ Championship (Netball)	February - May

Complete the table by shading the months each sport is played:

	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
<b>A-League</b>												
<b>AFL</b>												
<b>NBL</b>												
<b>NRL</b>												
<b>S. Shield</b>												
<b>Super 14</b>												
<b>ANZ</b>												

Write down five interesting points from the table.
